

Name: Khadijeh Nasirisni

Contact Information:

- Email address: .nasiriani@gmail.com. .nasiriani@ssu.ac.ir
- Tel:0098-353-82584402
- Address:Safaiei, Bou Ali Street,nursing&midwifery college .opposite the Infertility Center in the summer.
- **Academic Rank:***Associated professor*

School:

Nursing and Midwifery: *Medical-surgical nursing*

Curriculum Vitae

Education

1. **Ph.D.**TarbiatModares*Tehran, Iran, 2012.*
2. **M.S** .Iran University of Medical Sciences*Tehran,Iran,,2003*
3. **B.Sc.**ShahidSadoughi University of Medical Sciences, Yazd.1999

Language skill

1. **Farsi:** Speaking: Native, Reading: Native, Writing: Native
2. **English:** Speaking: Medium, Reading:Medium, Writing: Medium .

Experiences

- Nurse (Darolshafa Taft Hospital, ShahidRahnemoun Hospital) 1999
- Scientific membership (Yazd School of Nursing and Midwifery) and educationalsupervisor of the hospital: 2003-2005
- Educational Vice Chancellor of the School of Nursing and Midwifery and Scientific Membership 2012 to October 2014
- Vice Chancellor for Education, School of Nursing and Midwifery, 2012 to October 2014
- Director of the Nursing Department since August 2015 1400
- Manager of the senior emergency department since 1399
- Director of the Nursing Department of theInternational Campus since 1396 until now
- Director of the educational planning unit of the University Medical Education Development Center since 1400

Course Teaching

- Nursing ethics and professional communication - Bachelor of Nursing

- Research in Nursing - Bachelor of Nursing
- Adult / Elderly Nursing 3 - Bachelor of Nursing (Infectious Diseases)
- Comprehensive nursing care in intensive care units - Bachelor of Nursing (Kidney Topic)
- Internship in the field of adult nursing 1, 2 and 3 and home care nursing
- Internship in Emergency and Unexpected Nursing - Bachelor of Nursing
- Nursing ethics and professional relations (Master of Nursing)
- Clinical Nursing Management (Master of Elderly Nursing)
- Nursing in Health Disorders and Mother and Infant - Bachelor of Nursing
- Clinical Pharmacology Apprenticeship - Bachelor of Nursing
- Principles of Nursing Services Management - Bachelor of Nursing
- Intensive Care Nursing Training - Bachelor of Nursing
- Internship in the field of special nursing - Bachelor of Nursing
- Internship in the field of principles of nursing services management - Bachelor of Nursing
- Healthy and active aging (Master of Nursing)
- Healthy and active nursing internship (Master of Nursing)
- Advanced research method (Master of Intensive Care Nursing)
- Kidney Intensive Care (Master of Intensive Care Nursing)
- Introduction to Intensive Care Nursing (Master of Intensive Care Nursing)
- Intensive Intensive Care Nursing 4 (Master of Intensive Care Nursing)
- Intensive Intensive Care Nursing 7 (Master of Intensive Care Nursing)
- Introduction to nursing services (Bachelor of Health Services Management)
- Nursing ethics and professional communication: (Master of Emergency Nursing)
- Fanon, Nursing Ethics and Professional Relations: (Master of Intensive Care Nursing)
- Emergency Nursing (3): (Master of Emergency Nursing)
- Educational techniques and design: (Master of Emergency Nursing)

Thesis

- NiloufarPourfarrokh. Evaluation of quality of life in patients with chronic obstructive pulmonary disease referred to ShahidSadoughi Hospital 2005, Supervisor: Dr. AbolhassanHalvani, Consultant Professor: KhadijehNasiriani)

- FatemehKargar. Comparative study of CRP levels in patients with chronic obstructive pulmonary disease with healthy individuals 2005, Supervisor: Dr. AbolhassanHalvani, Consultant Professor: Dr. HadiMoghadam, KhadijehNasiriani
- Tahereh Sadat Mousavi. Evaluation of the performance of nurses working in the ICU of Yazd teaching hospitals and its compliance with the standard. Supervisor: KhadijehDehghani, Advisor: KhadijehNasiriani
- HabibollahBabaei. Comparison of coagulation status and dialysis adequacy in three methods of heparinization of dialysis patients. Supervisor: KhadijehDehghani, Advisor: KhadijehNasiriani
- Mehdi Akbari. Development of a structured model for recording nursing reports in the cardiac intensive care unit. Supervisor: KhadijehNasiriani, Advisor: HamidehDehghani
- Lily Fooladi The effect of family-centered care on family satisfaction of patients admitted to the intensive care unit. Supervisor: FarahnazFarnia, Consultant Professor: KhadijehNasiriani
- KhadijehDelavar. The effect of using synergy model on quality of life of fellow patients with coronary artery disease admitted to Afshar Heart Hospital in Yazd. Supervisor: Dr. HosseinTavangar, Consultant: HamidehDehghani, KhadijehNasiriani
- Turkish Pride. The effect of brushing with distilled water on the incidence of ventilator-associated pneumonia in patients admitted to intensive care units. Supervisor: KhadijehNasiriani, Advisor: Dr. Jarrahzadeh, Dr. FahimehRashidi
- AzitaMonshizadeh. Investigating the effect of multidisciplinary familiarization program on the clinical competence of novice nurses working in special wards. . Supervisor: KhadijehNasiriani, Advisor: Dr. MahsarKhodayarian
- AfsanehRouhAlamini. Comparison of psychometric properties of 'Behavioral Pain Scale' and pain observation tool in trauma patients admitted to intensive care units of ShahidRahnemoun Hospital in Yazd, 2017. Supervisor: KhadijehNasiriani, Consultant Professor: Dr. HosseinFallah born
- Hojjat Aziz Khani. The effect of hot water bag on the severity of restless legs syndrome and sleep quality of the elderly referring to selected comprehensive health service centers in Yazd in 1397. Supervisor: KhadijehNasiriani. , Consultant Professor: HosseinNazmieh, ArefehDehghani
- AzamPourghfari. Evaluation of the effect of eye care protocol on the incidence of superficial eye disorders in patients admitted to the intensive care unit. Supervisor: KhadijehNasiriani, Advisor: Mohsen Gohari, SamanehMirzaei
- HosseinFasihizadeh. The effect of spiritual care on anxiety and pain due to chest tube removal in open heart surgery patients. Supervisor: KhadijehNasiriani
- MarziehZareMehrjerdi. Investigating the effect of mental health education on promoting mental health and quality of life of elderly teachers. Supervisor: KhadijehNasiriani, Advisor: ZohrehKhavari
- Maryam Haqqani. Investigating the effect of holding an old-age training course on nurses' knowledge and attitudes about aging. Supervisor: KhadijehNasiriani, Advisor: Zahra Mandegari, ArefehDehghani
- FakhralsatMirdeghan. Comparison of the effect of inverted class and traditional education on the knowledge of using selected medical equipment in nursing students. Supervisor: KhadijehNasiriani, Fatemeh Kashmiri, Advisor: HosseinShakerfar

- FatemehGhaneh. The effect of a comprehensive cardiac rehabilitation program on the sleep quality of patients referred to Afshar Cardiac Rehabilitation Center. Supervisor: KhadijehNasiriani, Advisor: MahdiehGhanbari, FarzanMadadzadeh
- JavadDehestani. Investigation of the effect of changing the patient's attention on the level of situational anxiety of patients undergoing hemodialysis. Supervisor: HamidehDehghani, KhadijehNasiriani
- ParisaKiani. Explaining the understanding of Yazd health professionals about incorrect online health information and its management strategies. Supervisor: Mohammad Amin Bahrami, Consultant Professor: KhadijehNasiriani and ...
- SamanehMirzaei. Design and psychometrics of tools for measuring the resilience of schools against accidents and disasters. Second supervisor: KhadijehNasiriani
- Adel Eftekhari. Design and psychometrics of tools to prevent pre-hospital deaths due to traffic accidents. First consultant: KhadijehNasiriani
- Ashraf Naimi. Perception of the elderly and their needs for services in public places in Yazd in 1397. Supervisor: Mohammad Ali Morvati. Advisor: KhadijehNasiriani
- MarziehModarressi Evaluation of the effect of Benson relaxation on postoperative pain after complete knee replacement surgery in the elderly admitted to selected hospitals in Kashan Supervisor: ZohrehKalani, Second Supervisor: KhadijehNasiriani
- Akhtar Sadat with base. The effect of psychological rehabilitation in two ways on the mental health of elderly women. Supervisor: KhadijehNasiriani, Advisor: Mehdi Shomali
- MahinZareshahi. Investigation of the characteristics required by the nurse to use information services in the nurses of the special ward. Supervisor: KhadijehNasiriani, Advisor: SamanehMirzaei
- MahdiehGhanbari. Explaining the Rehabilitation Process of Cardiac Patients in Yazd in 2016: A Combined Study
- Mohammad Reza Shokouhi. Explaining the process and designing a safety model for fire injuries in residents of residential buildings in Iran. Second supervisor: KhadijehNasiriani
- KhadijehSaber. Investigating the effect of promoting health literacy through cyberspace on self-care of patients with heart failure referred to Gachsaran hospitals in 1398. Supervisor: MasoumehBarkhordariSharifabad. Adviser: KhadijehNasiriani, Mohammad TaghiSarban, Hosseinfalahzade
- Mahmoud Hekayati. A study of the relationship between moral distress and resilience in nurses working in hospitals affiliated to ShahidSadoughi University of Medical Sciences in Yazd in 1398. Supervisor MasoumehBarkhordariSharifabad, Consulting Professors: KhadijehNasiriani
- Zahra Khoshmehr. Investigating the Relationship between Moral Courage and Psychological Empowerment of Nurses Working in Khatam Al-Anbia Hospital in Abarkooh and ShahidBeheshti Taft Hospital in 1998 Supervisor: MasoumehBarkhordari. Consulting Professor: KhadijehNasiriani, HosseinFallahzadeh
- FahimehDehghan. Investigating the relationship between work-family conflict and sleep quality in nurses working in special wards of hospitals affiliated to ShahidSadoughi University of Medical Sciences in Yazd in 1397. Supervisor: MasoumehBarkhordariSharifabad, Consulting professors: KhadijehNasiriani, HosseinFallah born

- Farzaneh Sedighi. Investigation of the effect of bed angle on back pain and urinary retention after coronary angiography. Supervisor: Masoumeh Barkhordari Sharifabad, Consulting Professors: Khadijeh Nasiriani, Hossein Fallahzadeh
- Mina Kazemi. The study of the relationship between health literacy and quality of life in patients with asthma referred to the clinics of Shahid Sadoughi University of Medical Sciences in Yazd in 1397 Masoumeh Barkhordari Sharifabad Consulting Professors: Khadijeh Nasiriani, Hossein Fallahzadeh
- Farzaneh Komayi. Evaluation of the effect of peer education on cluster symptoms and self-efficacy in patients with breast cancer. Supervisor Masoumeh Barkhordari Sharifabad, Consulting professors: Khadijeh Nasiriani, Hossein Fallahzadeh
